Safety Policy on Responding to Disruptive Behavior

The Sugar Land Church of Christ congregation is proactive regarding the safety and well-being of its members and guest. This living document is in place to continuously evaluate the safety needs of our congregation.

Our focus on the whole congregation, must be given priority over the privileges and inclusion of the individual. To the degree the disruptive behavior compromises the health of the congregation, our actions as people of faith must reflect this emphasis on security. While openness is one of the prime values held by our congregation and expressed in our vision, we affirm the belief that our congregation must maintain a secure atmosphere where such openness can exist. When any person's physical and/or emotional well-being or freedom to safely worship is threatened, the source of this threat is best addressed firmly and promptly, even if this ultimately requires the expulsion of the offending person or persons. Therefore, if an immediate response is required, this will be undertaken by the Elder (s), Minister, or Deacon (s) and/or the leader of the group involved. This may include asking the offending person or persons to leave, or suspend the meeting or activity until such time that it may be safely resumed. If further assistance is required the Police Department may be called. Anytime any of these actions are undertaken without the Elder (s), Minister, or Deacon - Security, they must be immediately notified.

The Visitation Ministry is available for worship with anyone who is hospitalized or homebound.

NATURAL WAYS TO FEEL GREAT!

**Stretch with music** • Harvard researchers say doing your favorite stretches while listening to instrumental music — think unaccompanied guitar, piano or harp — makes stress hormone production plunger by 55% in 10 minutes! Turns out the combination of deep stretches like toe touches and back arches with soothing background music kick-starts the production of a brain hormone (dopamine) that calms the adrenal glands, plus it boosts energy and stamina for three hours straight.

**Snack on licorice** • Nibble on two or three pieces daily of candy that contains real licorice root (Panda, Darrell Lea and Kookaburra are quality brands) and you could feel calmer, more upbeat and more energetic in as little as 72 hours. Explains James L. Wilson, Ph.D., author of *Adrenal Fatigue*, licorice root heals overworked adrenals, plus it revs the production of the energizing hormone cortisol.

**Fill up on fish and greens** • Enjoy three checkbook-sized servings of fish weekly — plus one heaping cup of leafy greens daily — and your focus could soar by 52% in five days, plus your risk of chronic stress and tiredness could plunge y 75%. That’s the word from British researchers, who say fish’s omega-3 fats and the carotenoids in leafy greens switch on healing enzymes inside your adrenals, jump-starting the repair of these overworked glands.

**Boost your C** • if you’re feeling weary and stressed, research in the Journal of Clinical and Diagnostic Research says taking 1000 mg. of Vitamin C daily could restore your vigor in 10 days plus cut your risk of anxiety by 55%. Study says vitamin C is a key building block of energy-regulating adrenal gland hormones. *Note: Check with your doctor before taking supplements.*

OPEN OUR EARS TO THE SPIRIT’S PROMISE

**DEVOTION:** [In his revelation to John, Jesus said,] *“Whoever has ears, let them hear what the Spirit says to the churches. To the one who is victorious, I will give some of the hidden manna. I will also give that person a white stone with a new name written on it, known only to the one who receives it.”~ Revelation 2:17 (NIV)*

The Spirit speaks to Jesus' church/ kingdom. The Spirit reminds us that no matter how difficult our challenges may be, we will be sustained through struggles, affirmed as innocent, proven victorious, and given a new name. We live in a world of disease, destruction, decay, and death. Because of Jesus, however, the Holy Spirit assures us of new beginnings and everlasting life and eternal victory. This assurance is especially important when we face trials, temptations, and persecutions. And living in a broken world, we know these difficulties will come to all of us at one time or another. So isn't it powerful that the Spirit promises us a better future and lives in us to guarantee that better future? -Phil Ware

**MEMORY VERSE:** *“He who has an ear, let him hear what the Spirit says to the churches. He who overcomes shall not be hurt by the second death.” ~Revelation 2:11 (NKJV)*

**PRAY WITH US:** Almighty God, my Abba Father, thank You for Your promises! Thank You for the Living Promise, the Holy Spirit, who dwells within me. I want to hear the Spirit's voice of hope and respond with faithfulness as I await the unfolding glory that is guaranteed by the Spirit's presence. In Jesus' name, I pray. Amen.

**QUOTE:** *“Do not fear any of those things which you are about to suffer. Indeed, the devil is about to throw some of you into prison, that you may be tested, and you will have tribulation ten days. Be faithful until death, and I will give you the crown of life.” ~Revelation 2:10 (NKJV)*

**Our Vision:** To create unity in the body of Christ (Ephesians 4:1-16) • **Our Mission:** To go and make disciples of all nations (Matthews 28:18)  
**Our Challenge:** To develop spiritually mature members of Christ’s church (Romans 12:1-8)
